Title of this Grant Request: School Safety Improvements

Please state, in one sentence, how you propose to use the grant money you are requesting:
[REDACTED] is in need of updating building security to ensure the safety of our students, faculty, and staff.

Amount Requested \$ 25,000 Total Project Cost \$ 25,000

Grant awards may range between \$5,000 and \$25,000, based on the school's application and trustee evaluation.

Please check the specific category best describes the grant:

- ☐ Mission & Catholic Identity (I.E. Faith Formation Programs, Enrollment Initiatives, etc.)
- ☐ Instructional Resources/Program Improvements
- ☒ Technology Needs

Grant Proposal Information

Please describe the purpose for which you are requesting funding, and clearly explain how it will support the purpose of the Love One Another Trust by strengthening your Catholic school. Please explain who would benefit from this grant both directly and indirectly.

██████████ School is in need of updating our building security. With this grant money, we would be able to update the exterior and interior door locks with key pads to eliminate the need to give keys out, install security cameras inside and outside of the building, and purchase any other equipment and software necessary to ensure the safety of everyone in the building.

How would the impact of this grant contribute to the growth and strengthening of Catholic education at your school? What is the anticipated scope of its impact?

Our mission is to create lifelong learners and disciples of Jesus, and to do so we need to be in a place where we don't have to worry about any threats from the outside world. We love that the Church is in the same building as the School, however, this is an unsecured area during the school day.

How will the impact of this grant be documented and evaluated?

The impact can be measured by not having any incidents occur. We need to be proactive when it comes to safety, and not wait until something happens to act. The update in security will give all who enter a feeling of relief by not having to worry about potential threats.

What is the projected level of support for this grant from your school / parish leadership and community?

Updating the security in the building has been a discussion for some time within the school and parish. Protecting the students is, of course, a priority that will not have any opposition, but will be seen as a step in the right direction.

How will you sustain the program or purpose or initiative which would be funded by this grant in the future after all of the grant money has been spent?

The security updates listed would have minimal expense after the initial cost. Regular maintenance would be taken care of in-house whenever possible.

Has the school received any prior grants from the Love One Another Trust? If yes, please list dates and the amount of the grant awards.

No.

Are there other important considerations regarding this grant request which will inform the Trustees in their consideration of this grant application?

The enrollment in the school has grown significantly over the past few years which has increased the need for this security upgrade as we have more people coming and going now than we have had in years. We love our school and our students and want to continue teaching them to be lifelong followers of Christ.

Grant Package - Application Checklist:

- ☒ Completed Love One Another Catholic School Grant Application
- ☒ Budget for the proposed project, including Revenues and Expenses
- ☒ Organization's income and expenses statement for the current year
- ☒ Organization's income and expenses statement for the prior year
